

## **Playground Policy**

Kicking of balls only permitted on the oval.

Games involving tackling are only to occur during supervised instruction and in accordance with the Junior Sports Policy.

Students are to walk around buildings

Brandy (the ball game) to be played in approved area (between the cricket nets and the football oval) with approved low impact ball.

Primary Playground is only to be used by year 3 to 7 students at all times.

Junior Primary Playground to be used by Reception to Year 2 at all times.

In the case of year 2/3 classes, year 3 students can use both playgrounds.

For safety reasons the playground equipment is out of bounds if it is raining or has been raining.

During bonus Play a teacher will supervise the Junior Primary Playground which can be used by children in year 2/3 classes only.

### **Rain**

If it begins to rain during recess or lunch time the teacher doing yard duty in Area 2 will advise the front office staff to signal wet weather by two siren sounds. Students will remain inside for the rest of the break.

Once out only.

If students have not been outside from the beginning of the break and the rain stops, the bell will ring for them to go outside and normal yard duty will take place. If it rains again, Area 2 teacher will advise the front office staff to ring the bells and students will return to their classroom where they will remain for the rest of the break.
